

ENHANCING SOUL PRESENCE FOR SERVICE

The **Southern Lights Centre** in Akaroa New Zealand, offers an 8-day residential program from the 3rd — 11th January 2017

Aims of Program: 1. To equip students with tools for daily spiritual practice.
2. To assist in setting soul-centred goals for the life and service to humanity.
3. To provide experience of the group mind at work, in a rural residential setting and through rhythmic spiritual living.

Topics covered: What is the soul - its history and “anatomy”, the soul’s purpose and function and the soul in your astrological chart. Your ray profile and soul ray qualities. The laws of the soul and its initiation. Reincarnation and meditation.

Weekends — There will be free time on weekends, as well as group excursions.

Reading (Optional) *Esoteric Psychology* Vols 1 & 2 Alice A. Bailey.

Meditation — Three times daily in the Temple on weekdays.

Offering Service by: Gardening, wood chopping, cleaning, cooking etc.

A suggested donation of \$50 per day for accommodation and food. Tuition is free. The Trans-Himalayan Wisdom in the books by Alice A. Bailey brings together Buddhist, Christian and Hindu teachings for the western mind. Southern Lights is a charitable trust, providing esoteric teaching as part of a worldwide group of study centres. It is situated on rural land, high on the mountainous rim of an extinct volcano whose crater forms Akaroa Harbour.

Tutors: Orest and Julia Tarnawsky, who both have backgrounds in academic training and professional experience and have completed post graduate studies in the science of Esoteric Psychology.
